THUMBNAIL DRAWINGS

Thumbnails are small drawings that help you to see how your CO2 car might look. They are not detailed drawings, just quick sketches to give you ideas. Use the space below for your thumbnail drawings. You are required to come up with at least 5 different car designs. Each design should be different and must include a side view and top view for each idea. *(Each drawing is worth 20 points)*

You can earn Extra Credit if you design more than 5 car ideas.
